# SECURING OUR WORLD

A select gathering
An exchange that matters

TECHNOLOGY / COOPERATION / RESILIENCE

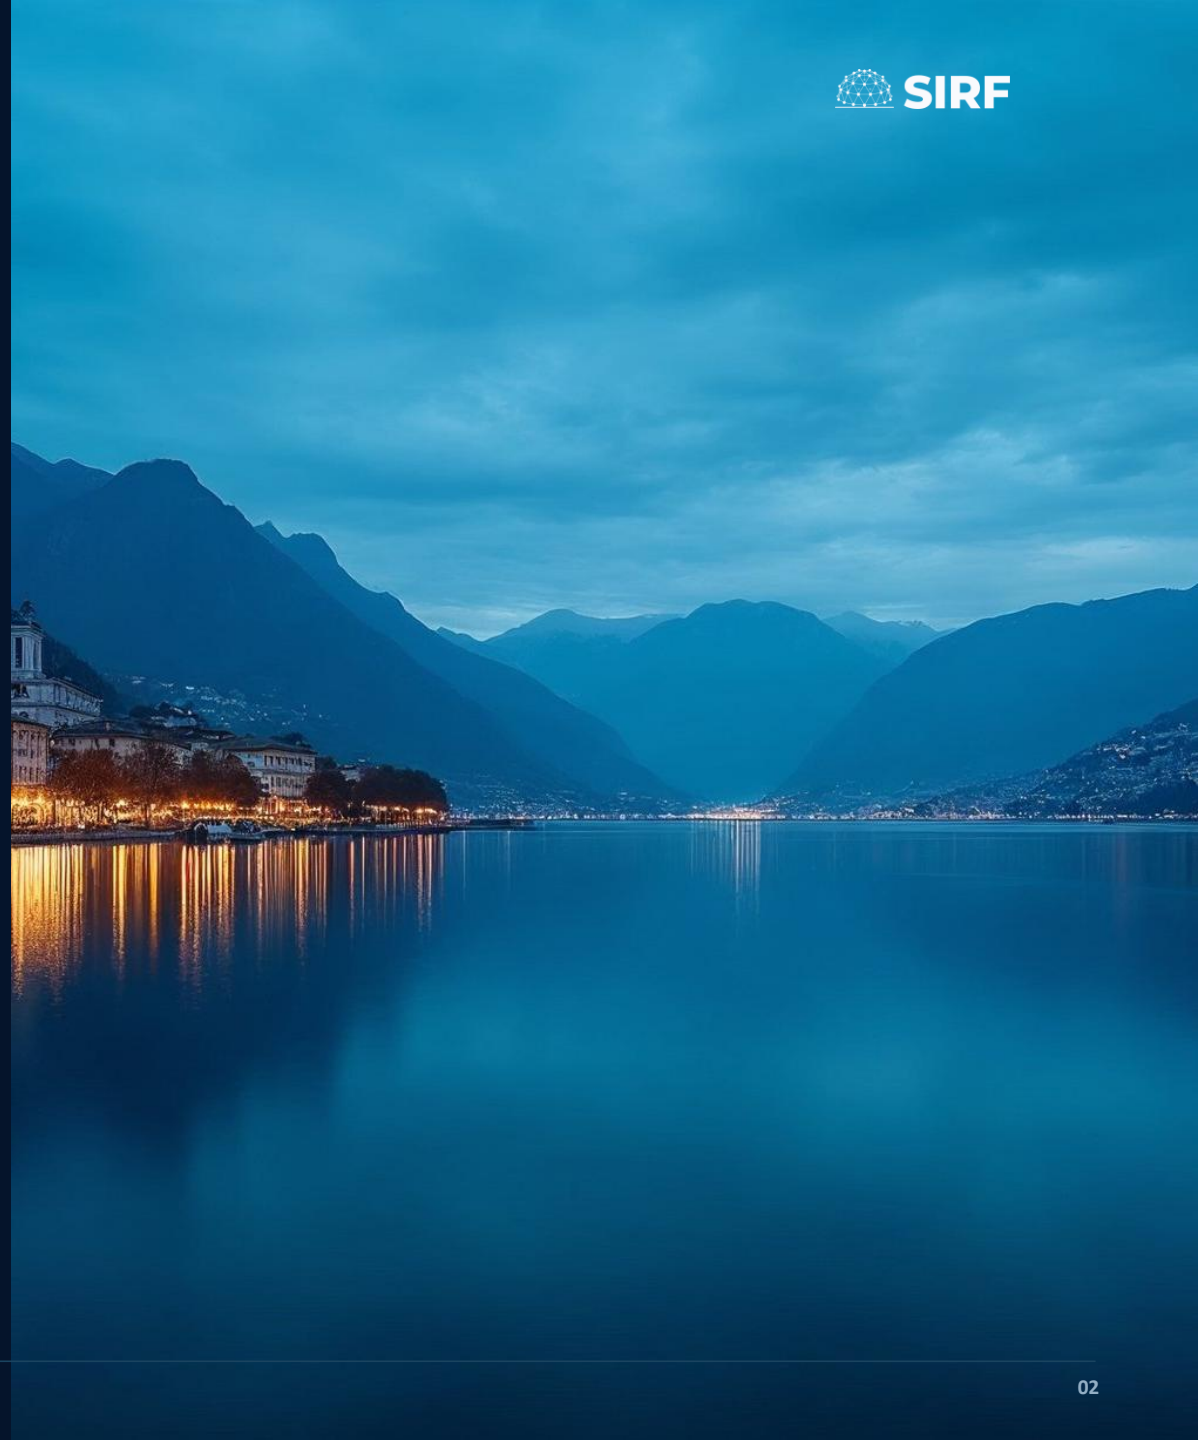

**3 DECEMBER 2026 / LAC LUGANO / ROOM 1**

# The right moment
# In the right place

On 3 December, SIRF takes place in Lugano as the 33rd OSCE Ministerial Council opens.

| | |
|---|---|
| **03.12** | **SIRF 2026** |
| **03-04.12** | **33rd OSCE Ministerial Council** |

# Small by design. High value by nature.

Not a mass conference but a private setting where expertise, dialogue and meaningful relationships make the difference.

**+/-100**
**SELECTED GUESTS**
invitation only

**4**
**THEMATIC PANELS**
real-world use cases

**1:1**
**PRIVATE MEETINGS**
by appointment

**CH + INTL**
**MEDIA**
Swiss & international

**INVITATION ONLY**
Mandatory pre-accreditation

SIRF

# People make the difference.

A focused mix of decision-makers, operators, researchers and companies ready for valuable dialogue and practical collaboration.

### PUBLIC SECURITY

Police, civil protection, emergency and security services

### DEFENCE

Armed forces, defence bodies, operators and specialists

### POLITICS & INSTITUTIONS

National and international representatives, public bodies

### UNIVERSITIES & RESEARCH

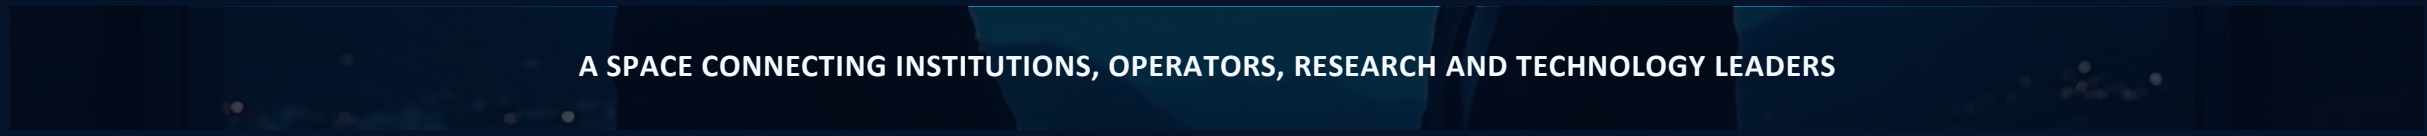

Universities, research centres, cyber, AI and sensing

### CRITICAL INFRASTRUCTURE

Energy, telecoms, data, transport and key services

### INDUSTRY & PRIVATE SECURITY

Technology firms, integrators, private security and investors

SIRF

# Four fields. One shared mission.

Defence and resilience of physical and digital systems through operational scenarios, real technology and expert dialogue.

## CYBER & AI

- Cyber defence
- AI for security
- Cyber-physical security

## DRONES & AUTONOMOUS SYSTEMS

- UAVs and autonomous systems
- C-UAV and defence
- Operational scenarios

## DETECTION & AWARENESS

- Radar and RF
- Sensor networks
- Situational awareness

## PROTECTION & COMMAND

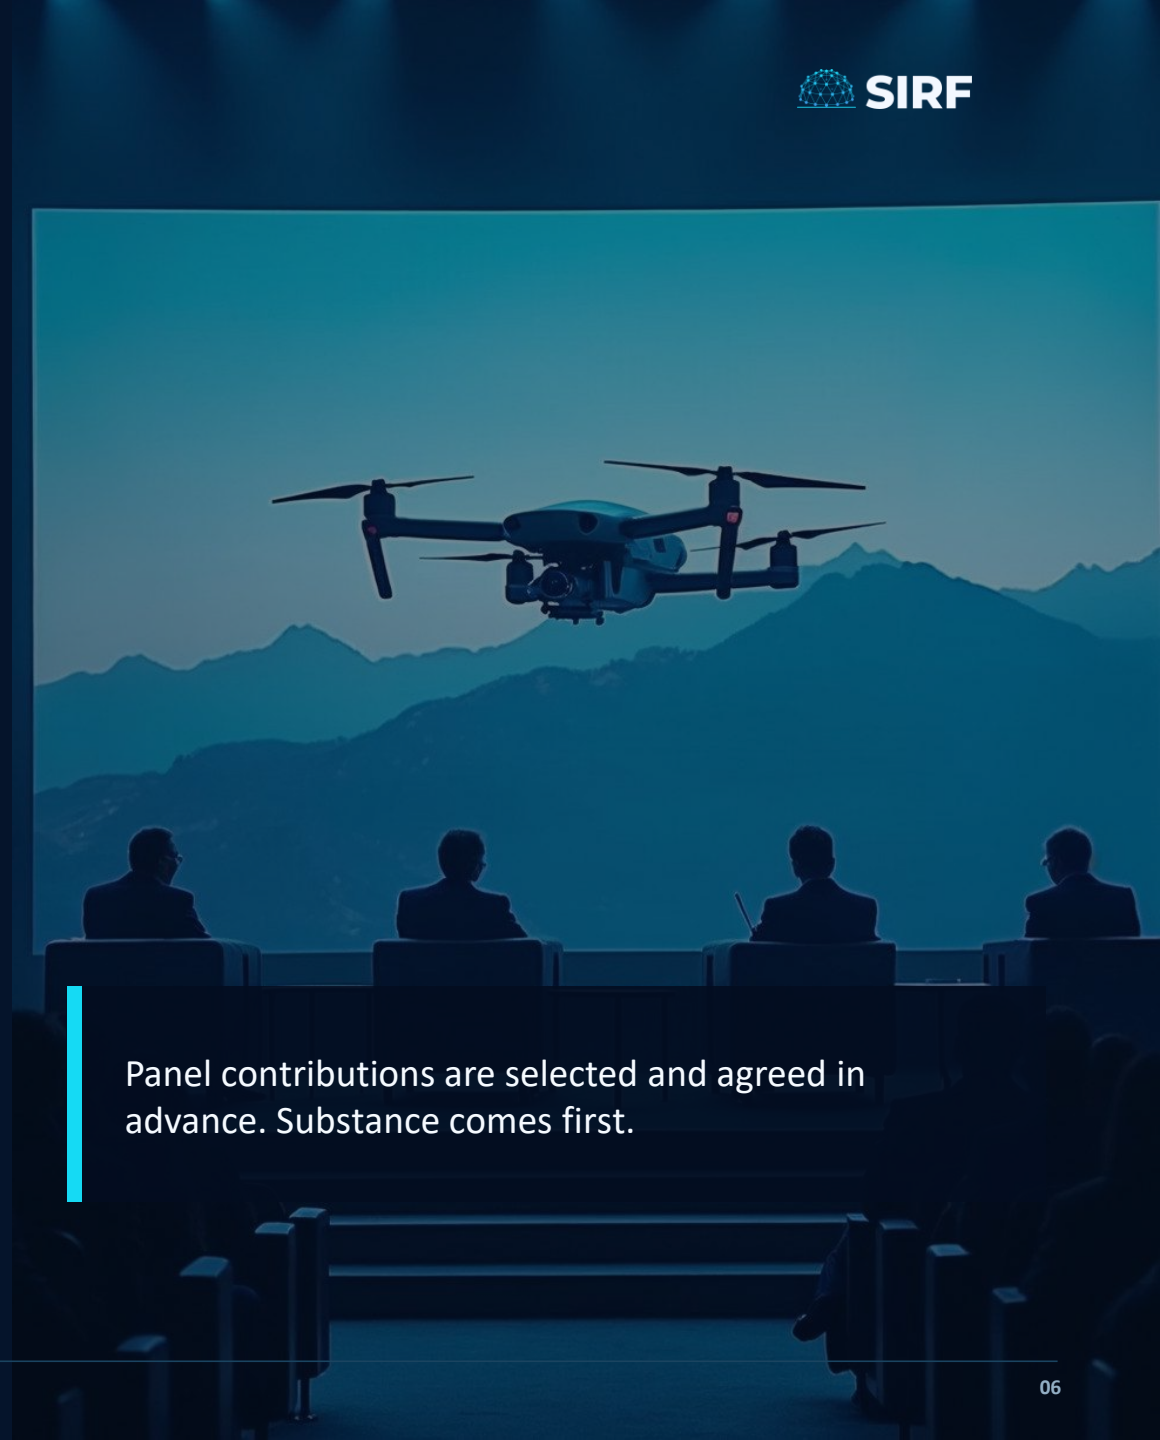

- Command and control
- Secure communications
- Resilient infrastructure

REAL TECHNOLOGIES / REAL USE CASES / OPERATIONAL FOOTAGE

# More than guests
# Part of the conversation

Your presence already adds value. Where their expertise is relevant, invited guests may also contribute to the panels.

| | | |
|---|---|---|
| 01 | **ATTEND THE PANELS** | Scenarios, expertise and real use cases |
| 02 | **CONTRIBUTE** | Expert contributions agreed in advance |
| 03 | **PRIVATE 1:1** | Confidential meetings by appointment |
| 04 | **NETWORKING** | Connect over coffee, lunch and dinner |

Panel contributions are selected and agreed in advance. Substance comes first.

# Participation delivers real value

SIRF is not a promotional showcase. It is an opportunity to explore strategic issues and meet a carefully selected group of peers.

## SELECTED ACCESS

Institutions, professionals and decision-makers in a focused setting.

## OPERATIONAL INSIGHT

Real cases, footage, solutions and practical limitations.

## PEER EXCHANGE

Share experiences and challenges with qualified operators.

### ACTIVE CONTRIBUTION

Join a panel when relevant

### STRATEGIC CONNECTIONS

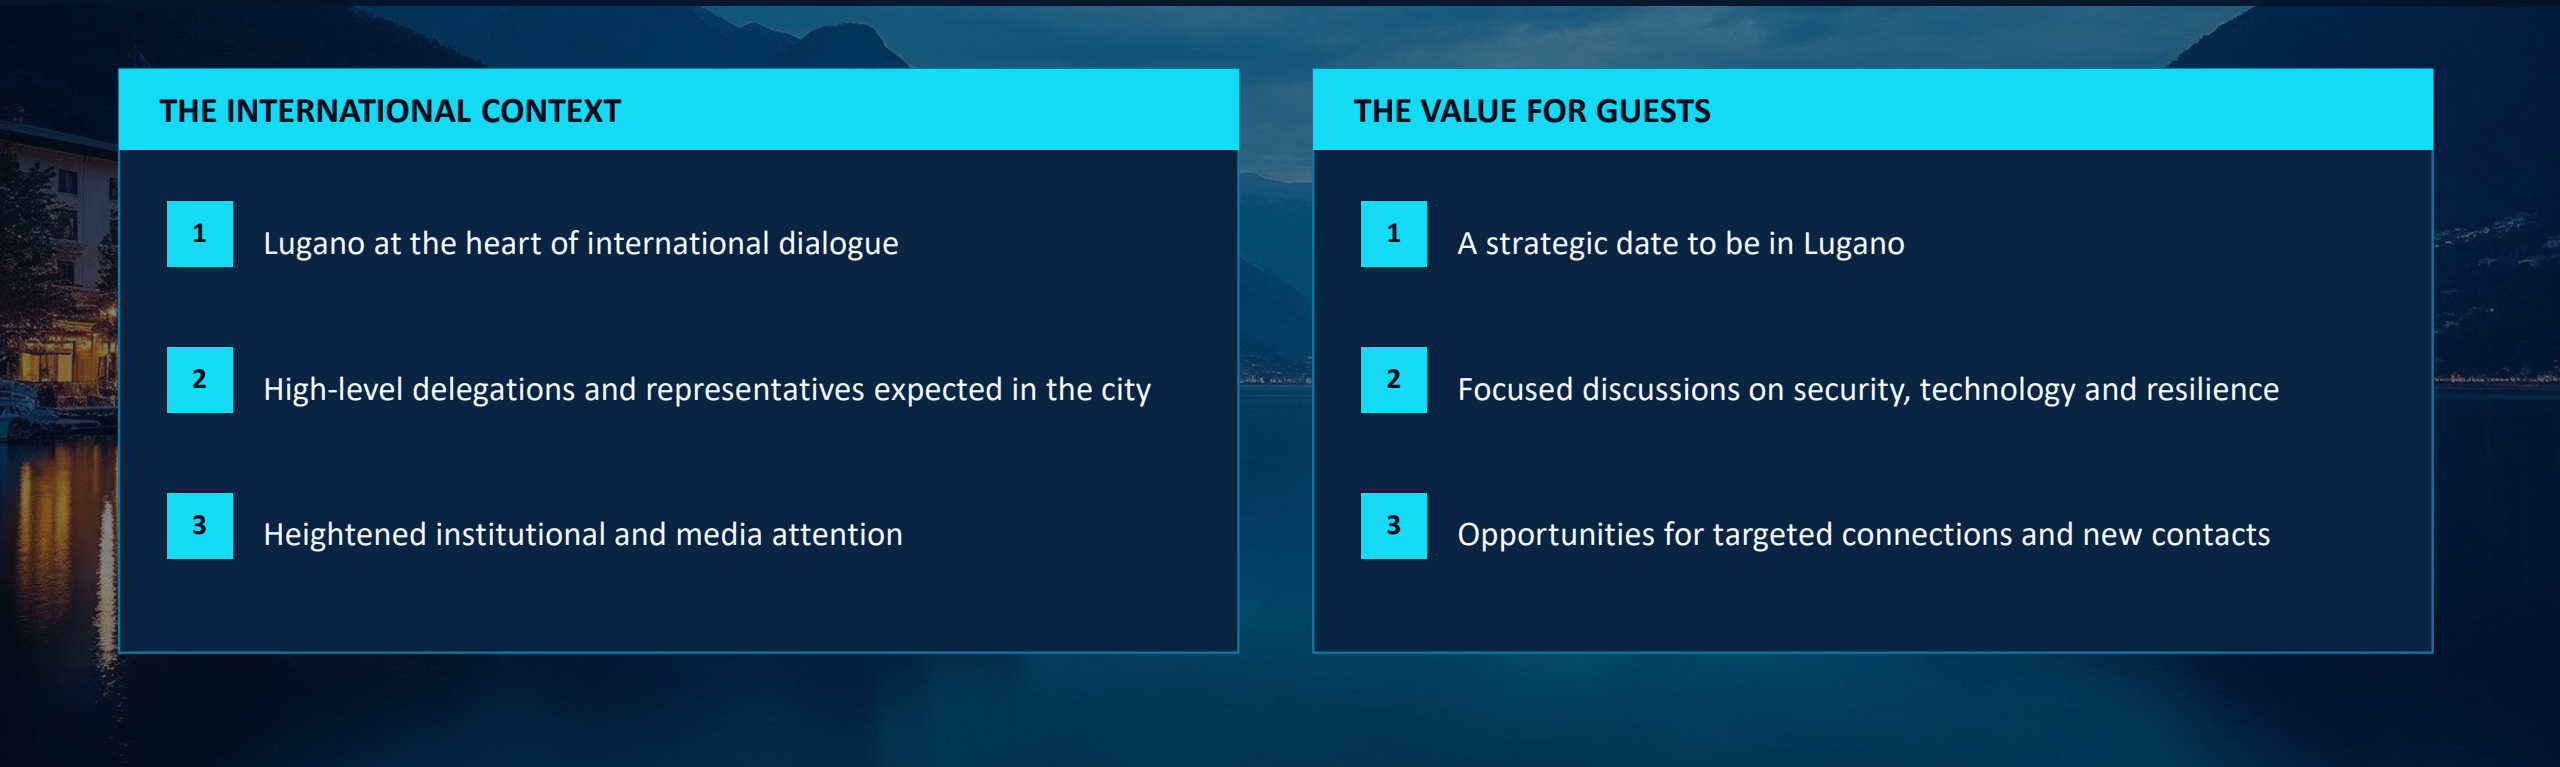

Private B2B and B2G meetings

### CONTINUITY

Join the inaugural 2026 edition

# An exceptional international backdrop.

On these same dates in Lugano, institutions, operators and international attention converge around security.

## THE INTERNATIONAL CONTEXT

1. Lugano at the heart of international dialogue
2. High-level delegations and representatives expected in the city
3. Heightened institutional and media attention

## THE VALUE FOR GUESTS

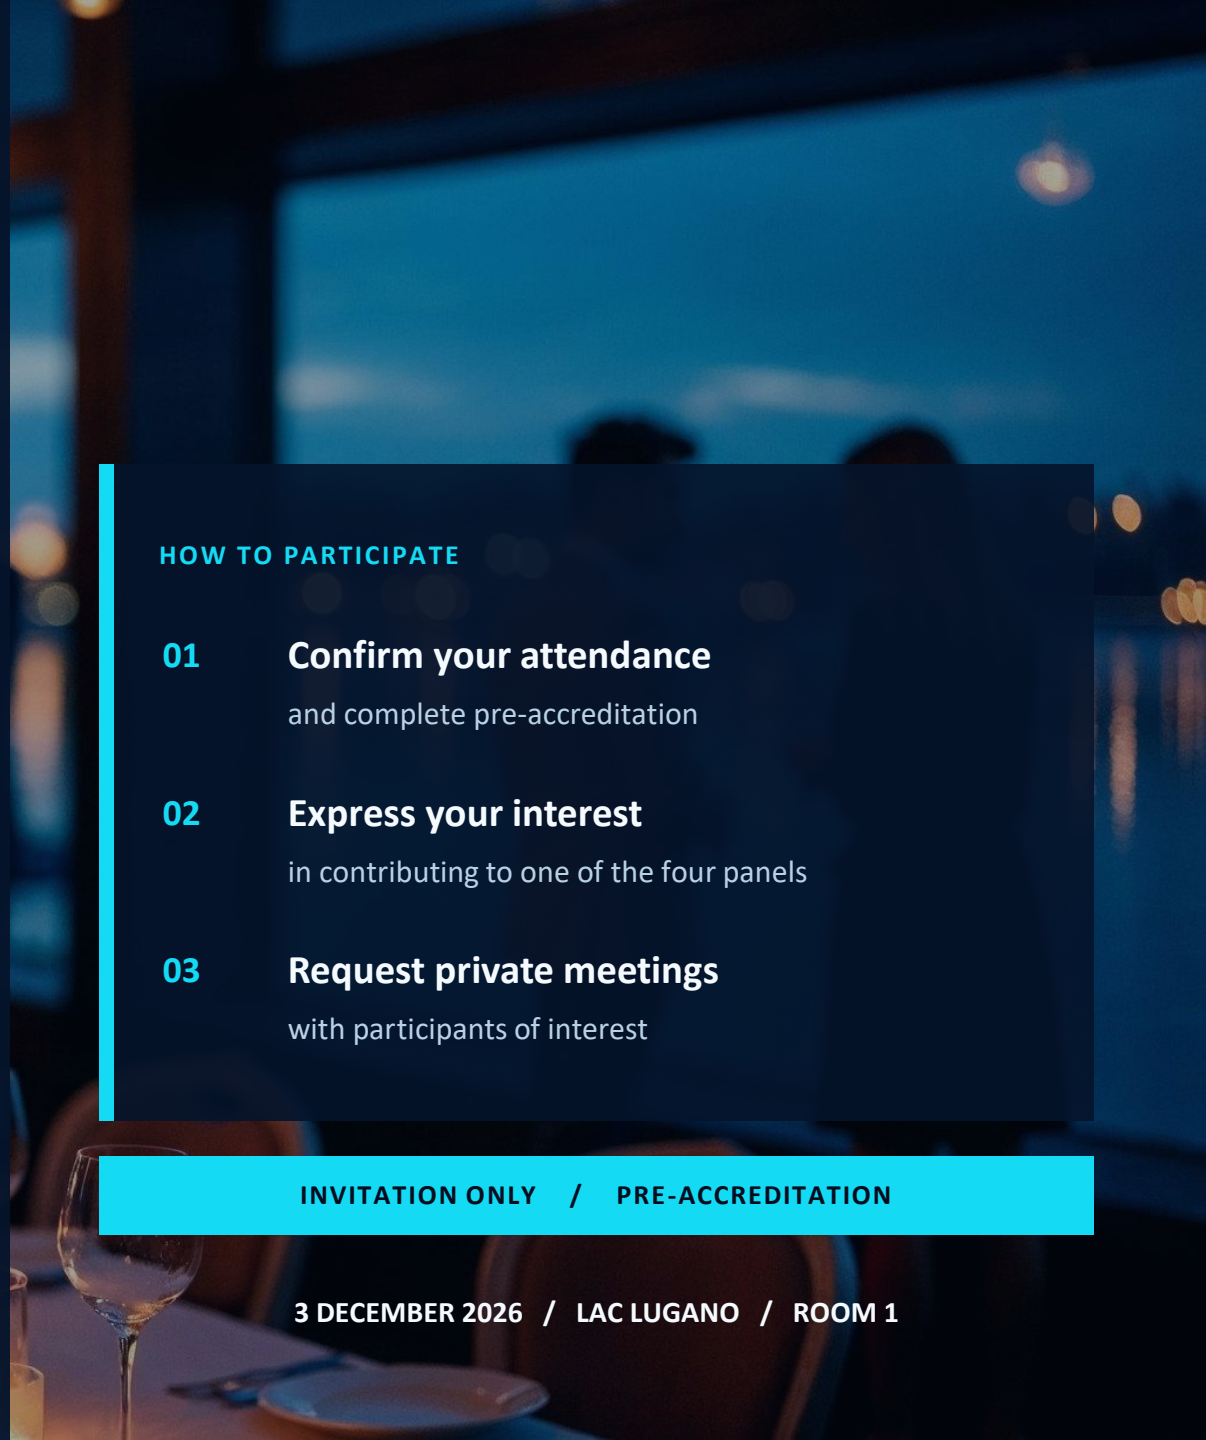

1. A strategic date to be in Lugano
2. Focused discussions on security, technology and resilience
3. Opportunities for targeted connections and new contacts

SIRF

09 / YOUR INVITATION
